Spring 2020

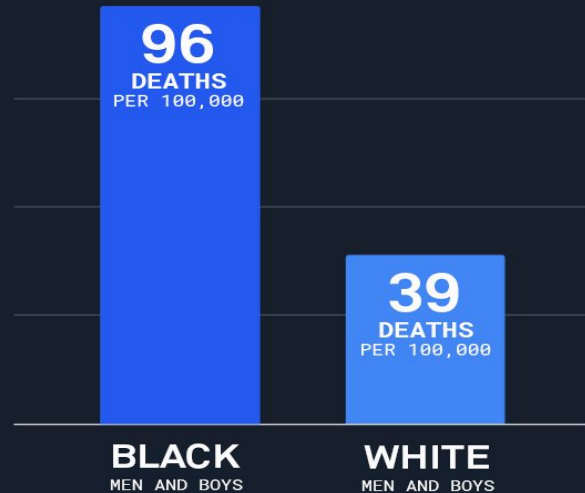

In the military field, we can observe a high discrimination were we can a resentment tours Black community

where Black are a target that find themselves killed by the police

PBS NEWS HOUR

Lifetime risk of being killed by police

Black people are most likely to be killed by police

3x more likely to be killed by police than white people.

Police Killings per 1M

■ Black ■ White

30% of black victims were **unarmed** in 2015 compared to 19% of white victims.

■ Unarmed (30%) ■ Unknown/Armed (70%)

video

[Police release video of Laquan McDonald's shooting - YouTube](#)

www.youtube.com > watch

In this video we can see the police shot this 17 years old boy Laquan Macdonal while he was unarmed and walking away.

videos

[Watch As Georgia Cop Tells White Woman: 'We Only Shoot ...](#)

www.youtube.com > watch

In this video we, can see this police officer said that they “Only Kill Black People”

Sociological Theory

A sociological theory that we can applied to our paper is **Symbolism** in wish the police can are that they Defend themselves

Me coming from Africa and was not been exposed to this reality, I am shock and scared to be part of this potential target of the police and get my kill. “that’s one of the reason why am afraid of getting a car”

**BLACK
LIVES
MATTER**

Thank you :)
